1. **Horses are sold with a two month exchange warranty.**
2. **The start date of the warranty** is the date the funds are transferred or the date of the receipt of cheque(s)/cash or the date the horse is collected, whichever is the sooner.
3. **If the purchaser wishes to return the horse within the two month warranty period:**
  - (a) BES agrees to exchange the horse for one of equal quality and value.
  - (b) If the purchaser wishes to buy a horse of greater value for themselves they can use the original horse as part payment.
  - (c) If the purchaser does not like anything in stock, BES will endeavour to get a replacement as soon as possible. This will involve a trip abroad and horses usually arrive once a month.
  - (d) The purchaser agrees to be patient during this time. Whilst every effort will be made to satisfy the purchaser's requirements quickly, it is not always possible to find the perfect match in each case.
4. **The following conditions apply to the exchange warranty:**
  - The horse must be returned in the same condition as it was in when it left the premises.
  - The horse must not be injured or blemished in any way.
  - The horse must not be altered in any of the following ways:
    - It must not have its tail pulled or cut.
    - It must not have its mane hogged, cut or pulled to a length shorter than four inches (10cm).
    - It must not be shaved on its legs.
    - It must not be freezemarked or have ID brands on its feet or a replacement microchip inserted.
  - It must be returned with its shoes in the same condition as when it left.
  - BES reserve the right to have a veterinary surgeon inspect the horse on its return.
